May peace be upon you, Terry [Gardiner]

i: a man: greet you in the name of peace;
herein i will be speaking to you plainly, as one man to another man;
i recognise and respect that you have by sworn oath taken up a position of trust with
duties and obligations to deliver, defend, and save harmless the inherent freedoms of
those of mankind;

i am here to bear witness to the man: Keidrych; who at times acts as minister;
watchman; ambasadore; that he contacted you via email on August 13th 2021, and via
registered post (RPP21 05700 05300 17865 4) on September 6th 2021, with a private
agreement attached;

in remembrance of state, federal & international legislative frameworks, this
correspondence provides witness of your acquiescence to the following facts without
dispute as to the basis of the binding agreement between you and the man: Keidrych;

The facts that were agreed upon between the man: Keidrych and the man: Terry are as
follows:

The International Covenant of Civil and Political Rights (ICCPR) is in force and
ratified in AUSTRALIA

Service Providers within AUSTRALIA, including the Queensland Magistrate Court(s),
are obliged to comply with the International Covenant of Civil and Political Rights
The offer to be a person in Article 16 of the ICCPR has been, as of Kiedrych's faith,
waived/declined and rejected by Keidrych

Witness of agreement within mankind between a man named Terry [Gardiner]; and a man named Keidrych

Protections of Article 18 have final standing in respect to Keidrych's inability to show respect to persons as a man exercising the rite of self determination (resurrection) lest he risks becoming a sinner and losing his salvation; this truth has been protected through his grandfathered faith in Yahushuwah's blood as integrated and based on Her Majesty's authorised 1611 King James Version Bible (KJV) and her Coronation Oath to defend the faith;

i: confirm that you now have sufficient knowledge and awareness of Keidrych's inherent freedom within your secular law to be saved harmless from reproach and discrimination, in alignment with the common intent of your acquiescence;

As a courtesy, should there be a miscommunication, a three-day window upon sending (as your contact details have been validated as correct) is provided whereby you may dispute the testimony of i: before, "qui tacit consentire videtur" (he who keeps silent is held to consent) irrevocably applies.

Thank you for choosing to operate in an honourable and truthful capacity.
