May peace be upon you, Terry [Gardiner]

I greet you in the name of Yehoshua (Jesus) the anointed, as his follower, minister Edward Jay Robin as per John 15:16 1611 KJVB. I am revealing myself as a man under Yehoshua. I claim the standing of saving my faith harmless from assumption as a peaceful Embassador, non-combatant, unaligned or affiliated with any of the secular Organized Psuedolegal Commercial Argument (OPCA). I do this ministry in following my redeemer Yehoshua's direction at Matthew 18:15-20 1611 KJVB and the role of the vigilant watchman of Ezekiel 33 1611 KJVB. Herein I will be speaking to you as a man plainly, as one private man to another not described as a person. I recognise and respect that you have by a sworn oath taken up the position of trust with the obligation to deliver, defend, and save harmless the inherent freedoms of self-determined men and women.

I am here to bear witness for my brother minister Keidrych and fellow minister in Yehoshua's testimony: I do bear evidence that he contacted you via email on August 13th 2021, and via registered post (RPP21 05700 05300 17865 4) on September 6th 2021, with a private agreement attached. Upon my honour, I have witnessed no material demonstrating your dispute to the facts presented by minister Keidrych.

In remembrance of the state, federal & international legislative frameworks, this letter provides my witness to you and all of your acquiescence to the following facts without your dispute being received by minister Keidrych as to the basis of the binding agreement between you and minister Keidrych:

The facts that were agreed upon between minister Keidrych and yourself are as follows:

- The International Covenant of Civil and Political Rights (ICCPR) is in force, ratified and binding upon all service providers in AUSTRALIA.
- Service Providers within AUSTRALIA, including the Queensland Magistrate Court(s), are obliged to comply with the supreme covenant of the land the ICCPR.

**Witness of agreement within mankind between a man named Terry
[Gardiner]; and a man named Keidrych**

- The offer to be a person in Article 16 of the ICCPR has been, as of minister Kiedrych's faith, James 2:9 1611 KJVB, irrevocably waived/declined and rejected by minister Keidrych
- Protections of Article 18 occupies the position of final standing upon your office in respect to minister Keidrych's inability to show respect to persons as an article 3 man exercising the rite of self-determination. (resurrection)Minister Keidrych is compelled as of his faith lest he risks becoming a sinner and losing his soul. This fact has been protected through his grandfathered faith in Yahushuwah's blood as integrated and based on Her Majesty's authorised 1611 King James Version Bible and her Coronation Oath to defend the faith!

I do so confirm that you are with provably sufficient knowledge and awareness of minister Keidrych's inherent freedom to exercise the right of self-determination to avoid the appearance of submitting to your secular law for the person. I bear witness as such that this good man, minister Keidrych, may be saved harmless by your assumptions that he is a sinning person. I do so as to save him harmless from such errant legal fiction of such a dangerous nature by such erroneous assumption so as to enable him to stand above reproach and discrimination, upon his faith. Minister Keidrych stands upon his faith in alignment with the direction of Yehoshua and the common intent of your Oath. He is enjoying your acquiescence to duty in ensuring your aware of your obligation to save his faith harmless.

As a scriptural courtesy, should there be a miscommunication, a three-day window upon sending (as your contact details have been validated as correct) is provided whereby you may dispute this witness testimony before, "qui tacit consentire videtur" (he who keeps silent is held to consent) irrevocably applies.

Should there be no dispute to this witness testimony, a Church notice will be published in a newspaper containing an online link to your agreement with minister Keidrych where the agreement and these witness testimony's can be publicly viewed online to seal your agreement as binding in accordance with Matthew 5:25 & 18:15-20

Thank you for choosing to operate in an honourable and truthful capacity!

minister Edward Jay Robin
